

## REGULATIONS RELATING TO THE LABELLING, ADVERTISING AND SALE OF TOBACCO PRODUCTS

**as published in**

GN 2063 in *GG* 16111 of 2 December 1994

**as amended by**

GN R1148 in *GG* 16588 of 4 August 1995

### 1 Definitions

In these regulations '**the Act**' means the Tobacco Products Control Act, 1993 (Act 83 of 1993), and any expression to which a meaning has been assigned in the Act shall bear such meaning.

### 2 Warnings and information

(1) A package or an advertisement referred to in column A of Annexure 1 shall reflect or contain-

- (a) one of the warnings set out in Part A of Annexure 2, which shall-
  - (i) be positioned in the manner; and
  - (ii) fill the area on the package or the advertisement or be of the duration, described in column B of Annexure 1;
- (b) the warning set out in Part B of Annexure 2 appearing opposite the warning reflected or contained in terms of paragraph (a), which shall-
  - (i) be positioned in the manner; and
  - (ii) fill the area on the package or the advertisement or be of the duration, described in column C of Annexure 1; and
- (c) the information set out in Annexure 3, which shall-
  - (i) be positioned in the manner; and
  - (ii) fill the area on the package or the advertisement or be of the duration, described in column D of Annexure 1.

(2) In the case of a verbal advertisement the warning and information contemplated in subregulation (1) shall be read in the same voice as is used to read the advertisement.

### 3 Print and appearance of warnings and information

(1) The warning and information to be reflected on a package or contained in an advertisement in terms of regulation 2 shall be-

- (a) in the same language as the main language used on the package or in the advertisement (but in one of the official languages of South Africa);
- (b) in Helvetica type;
- (c) in black, red or blue print on a white background on one half of the packages or advertisements and in white print on a black, red or blue background for the remaining packages or advertisements for each brand;
- (d) in upper-case lettering for the warning contemplated in regulation 2 (1) (a);
- (e) in upper-case lettering for the information contemplated in regulation 2 (1) (c);

- (f) in upper-case lettering for the first letter of a sentence and in lower-case lettering for the remainder of the sentence of the warning contemplated in regulation 2 (1) (b);
  - (g) centered within the area in which it is displayed, and the text of the message shall occupy not less than 60% and not more than 70% of the area in which it is displayed; and
  - (h) surrounded by a border that-
    - (i) is the same colour as the print used for the text of the message; and
    - (ii) outlines the area in which the message is displayed without encroaching on that area;
  - (i) alternated in such a way so as to expose each warning on an equal quantity of advertisements for each brand or unit of packages, with a tolerance of 10% during each period of 12 months from the commencement of these regulations.
- (2) The area to be occupied by the warning and information shall not contain any matter other than that required by these regulations.

#### **4 Warnings and information not to be removable, etc**

(1) The warning and information reflected on a package or contained in an advertisement in terms of regulation 2 shall be of such a nature that it cannot be removed from the package or advertisement.

(2) The warning and information reflected on a package in terms of regulation 2 shall be of such a nature that it cannot be destroyed or become unreadable when the package is opened in any normal way.

#### **5 Commencement**

These regulations will come into operation on **31 May 1995**.

**ANNEXURE 1**

## ANNEXURE 2

### WARNINGS

Part A	Part B
DANGER: SMOKING CAN KILL YOU	Tobacco smoke contains many harmful chemicals such as carbon monoxide, cyanide, nicotine and tar, which can cause disease and death. Non-smokers and ex-smokers, on average, live longer and are healthier than smokers. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
DANGER: SMOKING CAUSES CANCER	Nine out of ten patients with lung cancer are smokers. Smoking also causes cancer of the lip, mouth, voice box, food pipe and bladder. Quitting smoking reduces your risk of cancer. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
DANGER: SMOKING CAUSES HEART DISEASE	Smoking is a major cause of heart attacks, strokes and blood vessel diseases. Quitting smoking reduces your risk of heart diseases. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
SMOKING DAMAGES YOUR LUNGS	A morning cough and shortness of breath are signs of lung disease. It is never too late to quit. Stop smoking now and you can prevent further harm. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
PREGNANT? BREASTFEEDING? YOUR SMOKING CAN HARM YOUR BABY	The babies of mothers who smoke during pregnancy are more likely to die before birth or to be born underweight. Stopping smoking before or during the first months of pregnancy reduces the risk to the baby. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
WARNING DON'T SMOKE NEAR CHILDREN	Children who live with smokers suffer more from colds, coughs, ear infections, asthma and chest disease. Protect your children from the harmful chemicals in tobacco smoke. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
TOBACCO IS ADDICTIVE	Nicotine in tobacco is a drug which acts on the brain and nerves. Most smokers are dependent on nicotine that is why they feel uncomfortable and get cravings when they go without smoking for a while. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
YOUR SMOKE CAN HARM THOSE AROUND YOU	Every time you smoke, those around you smoke too. Your smoking increases their risk of lung cancer and heart disease. Stop smoking for the sake of your health and that of your family and friends. For more information call (011) 720-3145 [Telephone number added by GN R1148 of 4 August 1995]
CAUSES CANCER (Special warning only on snuff and chewing tobacco)	

## **ANNEXURE 3**

### **INFORMATION**

1. For packages containing manufactured cigarettes the following shall be the information:  
' ..... mgs tar  
..... mgs nicotine  
As per Government agreement method'.
2. The amount of tar and nicotine in the smoke of a cigarette shall, for the purposes of this Annexure, be determined in accordance with the International Standards Organisation's methods ISO 4387:1991, 3308:1991, 7210:1983, 3402:1991, 8243:1991, 10315:1991, 3400:1989, 10362-1:1991, 10362-2:1994, 2971:1987, 6488:1981, 6565:1983.
3. The tests shall be carried out by the South African Bureau of Standards or at a laboratory nominated by the Director-General, but in all respects at the expense of the manufacturer or importer.
